None of the programs have enrolled students; therefore, there are no students to notify.

As clarified by email March 29, 2021, students were last admitted to the programs as noted below:

- Early Childhood-CDA Preparation—fall 2017
- Ornamental Iron Fabrication—fall 2013

No students were ever enrolled in the remaining programs.

For each program being closed, faculty overseeing the program were involved in the closure decision. Program coordinators were in attendance at meetings where the President made the decision to close the programs. The programs being closed existed within a larger program group, and faculty will continue to teach courses and awards in the respective program areas.
