Commission on Colleges

Dear Dr. Wheelan:

Please be informed that Lanier Technical College plans to begin offering a Revenue Cycle Specialist technical certificate of credit program at its Hall campus, beginning fall semester 2021.

The new program is a repackaging of existing curriculum: all five courses in this 17-semester credit hour program are currently offered within the college's Health Information Management Technology AAS degree program. No additional faculty, instructional resources, or services will be required to deliver the program.

Please respond with a letter indicating the Commission's judgment regarding LTC offering this program expansion.

Should you have any questions, please contact our Accreditation Liaison, Dr. Joanne Tolleson, at jtolleson@laniertech.edu or (678) 341-6640.

Sincerely,

D. Ray Perren, D.S.L.
President
