Dear Dr. Wheelan:

Lanier Technical College will be terminating two programs effective May 2014.

- Central Sterile Supply Processing TCC
- Home Technology Integration Specialist TCC

In each case, no students are enrolled in these programs; a formal teach out plan is therefore not applicable. The programs generated no interest among students and have no enrollment.

Should you have any questions, please contact our COC Liaison, Dr. Joanne Tolleson. She can be reached at 770.781.6950 or jtolleson@laniertech.edu.

Sincerely,

A handwritten signature in black ink, appearing to read "Ray Perren", is written over a large, stylized circular flourish.

Dr. Ray Perren, President
Lanier Technical College
