Mr. Tim McDonald  
President  
Lanier Technical College  
2535 Lanier Tech Drive  
Gainesville, GA 30507

Dear Mr. McDonald:

Thank you for submitting the following substantive change:

Substantive change:

**Program Closure**

**Technical Certificate of Credit (TCC) in Substation Engineering Technician**

Submission date:

**6/30/2022**

Intended Implementation date:

**6/30/2022**

Case ID:

**SC019040**

The institution did not launch the program or enroll students. As there are no students enrolled, there are no students to notify of the closure.

The technical certificate was housed in the Electrical Utility Technology program group. The Academic Dean of Advanced Technology and Engineering informed the program director over Engineering Technology of the closure (verified by email January 10, 2023). Faculty will continue to teach in the three academic awards remaining in the Electrical Utility Technology program group. Impacted staff were informed of the closure via email from the Vice President of Student Affairs.

**The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Technical Certificate of Credit (TCC) in Substation Engineering Technician.**

Should you need assistance, please contact Dr. Denise Y. Young at (404) 492-5386 or via email at [dyoung@sacscoc.org](mailto:dyoung@sacscoc.org).
