Dear Dr. Wheelan:

Enclosed is a flash drive containing Lanier Technical College's substantive change prospectus for a Sustainable Urban Agriculture Technician TCC program. This program is to be offered at our Forsyth Campus beginning May 2014.

All files — the prospectus and supporting documentation — are in the top-level directory of the drive, in Adobe Acrobat PDF format.

Please let us know when we may proceed with this program or if there are any further actions the Commission believes we should take. If you have any questions, please contact our COC liaison, Dr. Joanne Tolleson, at jtolleso@laniertech.edu or 770.781.6950.

Sincerely,
