Dear Dr. Wheelan:

Please be advised that Lanier Technical College plans to offer our Internet Specialist Web Site Design AAS degree, diploma, and technical certificate of credit programs at the LTC Forsyth Campus beginning fall 2019.

The program and the site have previously been approved by the Commission. Other programs within the Computer Information Systems program group are currently offered on the Forsyth Campus and adequate facilities and equipment are in place to support student learning for the proposed program.

Please respond with a letter indicating the Commission's judgment regarding Lanier Technical College offering this program expansion.
