Dr. Ray Perren  
President  
Lanier Technical College  
2990 Landrum Education Drive  
Oakwood, GA 30566

Dear Dr. Perren:

Thank you for your letter of February 3, 2014, notifying the Commission on Colleges of your intention to teach six approved Automotive Technology Technical Certificate of Credit programs at the approved Winder-Barrow Campus site, effective August 2014. The certificate programs are:

Auto Electrical/Electronic Systems Technician (9 semester credit hours)  
Automotive Climate Control Technician (15 semester credit hours)  
Automotive Chassis Steering Technician (17 semester credit hours)  
Automotive Automatic Transmission/Transaxle Technician (23 semester credit hours)  
Automotive Engine Repair Technician (15 semester credit hours)  
Automotive Engine Performance Technician (18 semester credit hours)

All of the programs above are currently taught at the approved Lanier Technical College Dawson Campus. Since adding approved programs at an approved site does not represent a significant departure, we **acknowledge the information and will add it to the file.**

Best regards,
