Dr. Belle Wheelan
Southern Association of Colleges and Schools
Commission on Colleges
1866 Southern Lane
Decatur, GA 30033

Dear Dr. Wheelan:

This letter is to inform the Commission that Lanier Technical College will be offering an Automotive Technology AAS degree program and an Automotive Technology diploma program at its Winder-Barrow Campus, a previously approved site, beginning August 2014. Both programs are currently taught at Lanier Technical College's Dawson County Campus.

The Department of Education requires our Financial Aid Department to submit documentation that programs eligible for Pell funding have been approved by our accrediting agency. This being the case, we ask that you provide us with a letter stating that you have reviewed and accepted this notification.

Should you have any questions please contact our COC Liaison, Dr. Joanne Tolleson. She can be reached at 770.781.6950 or jtolleson@laniertech.edu.

Sincerely,

A handwritten signature in black ink, appearing to read "Ray Perren", is written over a large, stylized circular flourish.

Dr. Ray Perren, President
Lanier Technical College
