ASN General Admission Procedures

1. Apply to Lanier Technical College (LTC Admissions) and declare Associate of Science in Nursing (ASN) Degree as your intended course of study. You must be accepted to Lanier Technical College in order to apply to the ASN Program.
2. Follow all LTC General Admission Procedures
3. Complete all prerequisite courses required for the ASN program; all of these must be completed and the final grades entered prior to applying to the ASN Program.
   - ENGL 1101 Composition & Rhetoric
   - ENGL 1102 Literature & Composition
   - PSYC 1101 Introductory Psychology
   - MATH 1111 College Algebra
   - BIOL 2113 Anatomy & Physiology I (plus lab BIOL 2113L)*
   - BIOL 2114 Anatomy & Physiology II (plus lab BIOL 2114L)*
   - BIOL 2117 Introductory Microbiology (plus lab BIOL 2117L)*
   Choose One:
     - ARTS 1101 Art Appreciation
     - ENGL 2110 World Literature
     - ENGL 2130 American Literature
     - HUMN 1101 Introduction to Humanities
     - MUSC 1101 Music Appreciation
     - RELG 1101 World Religions
4. Attend an ASN information session. All sessions are held in the Forsyth Conference Center, located at 3410 Ronald Reagan Blvd, Cumming, GA 30041. Dates/times for Information Sessions can be found here: Information Sessions
   You must attend an ASN Information Session within a calendar year of your application to the ASN program for admission. No late admittance to a session is permitted. For more information, you can email ASN-Program@laniertech.edu
5. Take the ATI-TEAS Exam for Allied Health by the established deadline, as posted on the ASN webpage. The TEAS exam may be taken twice per calendar year with 30 days between attempts. No TEAS scores greater than 5 years old at the application submission deadline will be accepted.
6. Apply to the ASN program using LTC’s ASN Admission Application (available each spring). For full details on the competitive admissions process, see the “Admissions Process for LTC ASN Program”, below.

ASN Program Admission Process

The ASN Program has a selective admissions process utilizing a points system for rating applicants. Please see specific Admission Points Worksheet for specifics regarding the point system breakdown. Twenty (20) applicants will be admitted into the ASN Program each fall semester based on final rank. Applicants who score below the top 20 but still qualify for
admission will be placed on a waiting list. Incomplete applications will not be considered and no preference will be given to re-applicants.

I. Step 1: Minimum Requirements for Consideration

- Acceptance to Lanier Technical College declaring ASN as intended program of study
  - Application to LTC will need to be submitted well ahead of time to allow for all official transcripts to be evaluated and required paperwork to be turned in to Admissions & Registrar's offices.
  - Students must be fully accepted to Lanier Technical College in the semester in which they intend to apply (if application is submitted in the spring semester for fall admission, one must be fully admitted into Lanier Technical College in the spring semester).
- Proof of attendance at an ASN Admission Information Session (per sign in sheet) within a year of the application deadline.
- Completion of prerequisite general education courses with a minimum of 3.0 GPA.
  - ALL prerequisite courses must be completed prior to application submission.
  - All transcripts from other colleges and universities attended must be submitted to LTC Admissions Office for evaluation.
- Must be at least 18 years of age.
- ATI-TEAS for Allied Health Exam composite score of at least 70%.
  - The ATI-TEAS for Allied Health exam may be taken no more than 2 times in a calendar year with 30 days between each test attempt.
  - No TEAS test results will be accepted that are greater than 5 years old.
- LTC ASN Admissions Application completed per all instructions, submitted and postmarked by the deadline, which will be posted on the LTC ASN webpage https://www.laniertech.edu/ASN
  - NO hand-delivered applications will be accepted.

II. Applicants will be ranked with a points system; see the Admissions Points Worksheet

- Admission points are awarded for the following:
  - ATI-TEAS exam composite score, cumulative prerequisite GPA, highest degree earned, cumulative Biology GPA, and related factors.
  - Additional points may be given to applicants who take ALHS 1090: Medical Terminology; this course is strongly recommended, but is not a requirement.
  - See the Admission Points Worksheet for a comprehensive breakdown regarding points given for admission.
- Tie breakers (in order) are:
  - TEAS Score
  - Cumulative ASN prerequisite GPA
  - GPA for Biology courses

III. The top 20 ranked applicants will be offered admission to Lanier Tech's ASN Program

- A waitlist will be maintained until the end of the drop/add period for the fall semester of that academic year.
- Alternates will be ranked as follows: #21 overall will be #1 alternate, #22 overall will be #2 alternate, etc., and will be notified by the email address provided on the ASN application ASAP if any of the top 20 students do not show up or do not accept their position in the ASN cohort.
