

DUAL ENROLLMENT ADMISSIONS TESTING REQUIREMENTS

Applicants must meet minimum regular admit test score requirements for their intended courses in order to participate in the Dual Enrollment Program. Lanier Technical College accepts readiness documentation such as **High School GPA, PSAT, SAT, PreACT, ACT, and ACCUPLACER**. A minimum 2.60 High School GPA, PSAT, or PreACT must be provided to the college by a verified source (i.e. high school counselor). SAT or ACT scores that meet the minimum admissions score requirements must be requested and sent to the college prior to posted application deadlines.

Lanier Technical College administers the ACCUPLACER exam for placement. If an applicant does not have one of the already mentioned College Placement Scores, the ACCUPLACER can be administered to determine if the student meets the program test score requirements. All programs require scores for reading, writing, and math. Applicants who do not score at the program admissions level on one or more sections of the ACCUPLACER may re-test. Dual Enrollment students are allowed two attempts per academic year while enrolled in high school. Re-tests will only be administered for the sections that were not at the minimum program score requirement. Students needing to re-test must wait a period of 30 days between the original test and re-test.

Lanier Tech's Codes SAT: 7289 ACT: 7096

	Sections	Certificate & Diploma	Degree
SAT (March 2024)	Reading/Writing	490	510
	Math Test	440	480
	<i>into Math 1113*</i>		530
	<i>into Math 1131*</i>		620
PSAT (March 2024)	Reading/Writing	450	470
	Math Test	400	440
	<i>into Math 1113*</i>		530
	<i>into Math 1131*</i>		620
ACT & PreACT	English	13	16
	Math	17	19
	Reading	14	17
	<i>into Math 1113*</i>		21
	<i>into Math 1131*</i>		26

	Sections	Entry Level Workforce	Certificate & Diploma	Degree
Accuplacer Next Generation	Reading	218	224	236
	Writing	222	236	249
	Arithmetic	223	229	229
	Quantitative Reasoning			245
	<i>Advanced Algebra*</i>			275

	Sections	Entry Level Workforce	Certificate & Diploma	Degree
Accuplacer Classic	Reading	36	55	64
	Writing	30	60	70
	Arithmetic	23	34	34
	Elementary Algebra			57
	<i>Pre-Calculus*</i>			70

High School GPA	2.60 GPA or higher		
	Core (i.e. ENGL 1101 & MATH 1111)		
High School GPA	2.00 GPA or higher		
	Certificate, Diploma, or ELWC Programs		

Entry Level Workforce Certificates (ELWC):

Advanced Shielded Metal Arc	Diesel Electrical/Electronic
Automotive Electrical/Electronic Sys.	Food Production Worker
Automotive Engine Performance	Gas Metal Arc Welder
Automotive Refinishing Assistant I	Gas Tungsten Arc Welder
Automotive Refinishing Assistant II	Nurse Aide
Basic Metal Fabricator	Prep Cook
Basic Shielded Metal Arc Welder	Salon & Spa Support Spec
Criminal Justice Specialist	

**The math score indicated is for Dual Enrollment students who would like to exempt MATH 1111 (College Algebra) in order to take MATH 1113 (Precalculus) or MATH 1131 (Calculus I) and is not considered for admissions acceptance to Lanier Technical College.*
