MEMORANDUM OF UNDERSTANDING COURSE TRANSFER

"The Board of Regents of the University System of Georgia, by and on behalf of the University of North Georgia (the "University"), and Lanier Technical College (the "College") (each a "Party" and collectively, the "Parties"), agree to facilitate the transfer of specific courses from the College for credit at the University and enter into this Memorandum of Understanding (MOU) on this **1st day of May 2024** (the "Effective Date"). The Parties hereby agree as follows:

WITNESSETH

WHEREAS, the University, as a unit of the University System of Georgia, is a regional multi-campus institution and premier senior military college, that provides a culture of academic excellence in a student-focused environment that includes quality education, service, inquiry and creativity; and

WHEREAS, the College, as a unit of the Technical College System of Georgia, is a public, multi-campus institution of higher education serving the workforce development needs of Northeast Georgia and providing, among other educational offerings, access to student-focused occupational programs at the associate degree, diploma, and certificate levels;

WHEREAS, the Parties believe that cooperative education programs are mutually beneficial to the Parties and their students and that an academic credit transfer agreement will allow for a smooth transition for students transferring between institutions while maximizing allowable credit transfer; and

WHEREAS, the Parties desire to encourage and facilitate academic credit transfer opportunities for eligible students by entering into this Agreement;

NOW, THEREFORE, for and in consideration of the terms and conditions set forth herein, both the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Transfer Requirements:** The University, in recognition of the Southern Association of Colleges and Schools Commission on Colleges ("SACSCOC") accreditation of the College, hereby agrees to transfer the courses identified on Exhibit A, attached hereto and incorporated herein by this reference, from the College provided that the courses: (i) are taught by faculty as certified by SACSCOC standards; (ii) are completed with a passing grade, as determined by the University, by the students seeking transfer; (iii) have an appropriate corresponding course offering at the University and (iv) meet all the transfer requirements as specified in Exhibit A.
2. **Understandings of the Parties:** Each Party will ensure that it maintains accreditation with the appropriate regional accrediting body and that all operations are in keeping with accreditation requirements. The University will transfer the courses listed on Exhibit A, as may be amended from time to time, into the appropriate Education degree program, as mutually agreed between the Parties from time to time.
3. **Term:** This Agreement shall remain in force for a period of seven (7) years from the Effective Date (the "Term"); provided, however, that either Party may cancel this Agreement at any time upon not less than ninety (90) days written notice to the other Party. The Parties

acknowledge and agree that if this Agreement is cancelled, the University will use good faith efforts to ensure that students currently enrolled will have an opportunity to complete courses in which they are enrolled.

4. **Modification:** This Agreement may be amended or modified by written agreement of the Parties, duly signed by their authorized representatives. The Parties acknowledge and agree that additional courses for transfer may be added to the list shown in Exhibit A. The Parties agree that at any such time when additions or changes to courses approved for transfer are made, the Parties will amend Exhibit A by completing an updated list of courses and having it signed by a duly authorized representative of each Party. The Parties further agree to keep on file with this Agreement at all times throughout the Term a current copy of all courses approved for transfer according to this Agreement.

5. **Funds and Manpower:** This Agreement does not document nor provide for the exchange of funds or manpower between the Parties, nor does it make any commitment of funds or resources.

6. **Notice.** Each Party shall send communications or notices pertaining to this Agreement to the other Party at the relevant address set forth below or to such other address designated by that other Party through written notice.

Completion of the Associate Degree in Early Childhood Education

Lanier Technical College	University of North Georgia¹⁻³
ECCE 1101: Introduction to Early Childhood Care and Education	EDUC 2110: Critical and Contemporary Issues in Education (first-year course) ¹
ECCE 1112: Curriculum and Assessment	EDUC 2130: Exploring Teaching and Learning (first-year or sophomore year course) ¹
ECCE 2203: Guidance and Classroom Management	ECSP 3003: Classroom Organization and Management (junior-year course) ¹
ECCE 1103: Child Growth and Development	ECSP 3001: Child Development (junior-year course) ¹
ECCE 2201: Exceptionalities	ECSP 3100: Characteristics of Students with Special Needs (junior-year course) ¹⁻²

Transfer Requirements:

1. Completion of the Associate Degree in Early Childhood Care and Education at Lanier Technical College is required for courses to transfer as part of the transfer agreement (i.e., partial completion of a program at Lanier Technical College would not result in course credit at the University of North Georgia).
2. Completion of ECCE 2201: Exceptionalities with a “B” or higher is required to receive credit for ECSP 3100: Characteristics of Students with Special Needs, as this is a requirement of the Georgia Professional Standards Commission for teacher certification. Any grade lower than a “B” for ECCE 2201 will result in students having to retake ECCE 2201 at Lanier Tech or having to take ECSP 3100 at the UNG until the required grade of “B” or higher is attained (or until the threshold for re-taking courses is reached).
3. Students must have an overall GPA of 2.5 or higher to matriculate into the Elementary and Special Education Bachelor of Science program, in line with our published admissions standards. Additionally, students must complete the Core IMPACTS courses specific to their education program prior to progressing to the upper division.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, University of North Georgia (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
