

MMO MONTHLY

Lanier Tech's QEP Newsletter

In this issue:

- Happy Pi Day!
- Featured Tutor of the Month
- See Your Advisor!
- Math in Interior Design

Barrow Medical Assisting students made a human pi!

Pennie Eddy, Accounting Instructor and Oakwood student, Vianey enjoyed some pie on Pi Day!

Forsyth MATH 0090 B & Q students celebrated Pi Day with a different type of round dessert!

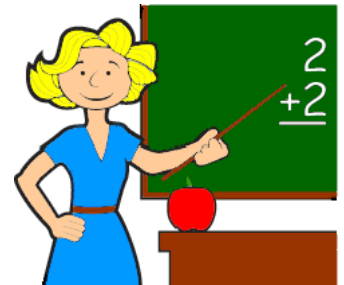

Featured Tutor of the Month: Lorraine Mitchell

Lorraine Mitchell is a Certified Tutor who comes to us from Georgia Perimeter College. She has previous experience at LTC in the Adult Education department. Come on over to the Student Success Center during day-time hours at the Forsyth Campus to receive Math Tutoring from Lorraine. She's eager to help!

Did You Know?

- The most requested subjects in the Student Success Center are College Algebra and Math 0090.
- MyMathLab Tests can now be taken in the Forsyth Student Success Center (B144) with instructor approval.

IMPORTANT: SEE YOUR ADVISOR!

This summer will be the last opportunity for students who are currently enrolled or have attempted MATH 0090 in the past to complete the course in its current format.

Learning Support Math (MATH 0090) is being phased out and replaced by our new Learning Support Math options (MATH 0090A, MATH 0090B, and MATH 0090Q).

Math in Interior Design:

If one gallon of paint provides 300 square feet of coverage, how many gallons of paint would you need to paint a wall that is 25 feet long and 15 feet tall?

Email your answer to qep@laniertech.edu by April 15, 2016

A winner will be chosen at random from all correct answers submitted.

What's the prize? Bragging Rights!
