

**AN AGREEMENT TO ESTABLISH A TRANSFER ARTICULATION AGREEMENT BETWEEN PIEDMONT  
COLLEGE AND LANIER TECHNICAL COLLEGE**

**Academic Years 2019 – 2024**

This agreement establishes a plan whereby an undergraduate student who completes the Early Childhood Care and Education program at Lanier Technical College and receives an associate's degree may transfer to Piedmont College to complete a bachelor's degree with a major in Early Childhood Education (to be changed to Elementary Education program as of August 2020).

**Acceptance of Transfer Credits at Piedmont College**

The following guidelines are used to award transfer credit:

- The transfer of credits is consistent with and subject to the conditions prescribed in each institution's published catalog at the time of the student's transfer request.
- Credit is transferable only for courses in which a grade of C or above is earned.
- Transferred courses must be comparable college-level courses judged to be equivalent in content and quality to Piedmont courses.
- Completion of the Early Childhood Care and Education program at Lanier Technical College does not guarantee admission to Piedmont College. Candidates must successfully meet all requirements for admission to Piedmont College and the appropriate degree program.
- Transfer students must apply for admission to teacher education during the first semester enrolled at Piedmont College.
- This agreement will be reviewed regularly by both parties to ensure continued transfer compatibility of courses but will continue indefinitely until such time as it is dissolved by written request of either of the parties listed below.

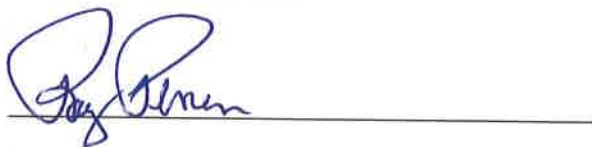

Transfer students must complete all coursework necessary in their respective degree plans of study before receiving their bachelor's degree from Piedmont College. This agreement is subject to change in order to comply with college requirements.

**Piedmont College**

Dr. Daniel Silber  
Vice President of Academic Affairs

**Lanier Technical College**

Dr. Ray Perren  
President
