Lanier Tech's QEP Newsletter – Fall 2022

Math Multiplies Opportunities – Fall Boot Camp

Our Quality Enhancement Plan (QEP) is Math Multiplies Opportunities, and our students are getting ready for their college algebra class by attending Math Boot Camp before the semester begins! Fifteen Lanier Tech students participated in our Fall Boot Camp and they are ready to hit the ground running in their fall semester algebra classes.

Students were able to improve their test scores by 25% in just four days of boot camp!

The next College Algebra Boot Camp will be
January 3 – 6, 9:00am – 1:00pm, Forsyth Campus

For more information, click [here](#).

Here's what the participants are saying about Math Boot Camp:

"I really enjoyed it all. It has been a long time since I've been in a math class setting, so the class was a great refresher course for me. I will use all I've learned in my up-coming class, I'm sure. Great Boot Camp."

"Reviewing material in a class setting...did not feel judgmental."

"Thank you so much. You are on my gratitude list!!!"

"...the instructor took time to help us individually in class with concepts we were having trouble understanding. She was very patient and kind."

"Thank you for offering a free boot camp. Allows me to be a more confident going into Algebra."

The Student Success Center is Here to Help

The SSC offers tutoring in Anatomy & Physiology, Business Technology, Biology, Chemistry, COMP 1000, Economics, Math, Physics, Psychology, Statistics, Writing, and even Library assistance is available is online.

There have been 471 students register for tutoring for the first time since the beginning of fall semester, and the SSC has had more than 1,700 appointments, so far this semester!

On a recent survey that asked students what they thought of the tutoring services they received at the Student Success Center, 100% of the students that answered the survey said that the tutoring session was very good (6.45%) or excellent (93.55%) and 96.77% of those who completed the survey indicated that they plan to return to the Student Success Center for tutoring again in the future. See the tutoring schedule below and sign up for **free** tutoring today!
