

# The Math Connection

Lanier Tech's QEP Newsletter – Fall 2021

## Math Boot Camp Prepares Students for Success!

On August 2 – 4, incoming LTC students participated in our Math Boot Camp at our Hall campus to brush up on the math skills they will need to be successful in their courses when the Fall semester begins. This face-to-face, introductory class provided a review of basic algebraic

operations, hands-on math practice, study skills, and information about how to find extra help in the Student Success Center. Math Boot Camp is designed for students who have registered for Math 0911B to help prepare them for their upcoming math studies. Participating students had the opportunity to learn new math skills and/or practice math skills that may have become a bit

Donna Brinson, VP of Academic Affairs and QEP Director,  
Susan Baker with the Math Boot Camp participants.

rusty. Boot Camp also allowed the students to practice working with online material in the same format they will use in their regular math class so they will be ready to hit the ground running when classes start! Students who completed the nine-hour course received a certificate of completion from LTC and a \$10 gift certificate for the LTC book store provided by the SGA (Student Government Association). Shout-out to our SGA for also supplying snacks for the class! Lanier Tech President, [Mr. Tim McDonald shared a video message](#) of encouragement and support for our Boot Camp students that can be viewed by clicking the link. Congratulations to all of our Math Boot Camp students!
