Lanier Tech's QEP Newsletter – 2<sup>nd</sup> Edition, Spring 2023

## Spotlight on the Student Government Association

*Megan Whitworth and the Student Government Association (SGA) Officers*

### SGA Funds Barrow Campus SSC

*We are very proud of our "new" Student Success Center. Students on the Barrow Campus no longer need to share space with the Testing Lab, and this dedicated space offers students the ability to work one-on-one with tutors in a comfortable, secure environment. Thank you to Susan Baker, Loren Armour, LTC Interior students, and the SGA for making this happen.*

*~ Chip Reynolds: Barrow Campus Dean*

Student Government Association (SGA) membership is open to all students from any program. Membership is based on good academic standing, leadership skills, and organizational ability. The Student Government officers include a president, vice president, secretary, parliamentarian, and historian.

The SGA plans college-wide activities and fund-raising opportunities each year. SGA officers and club members make all decisions on how student activity funds are spent. These funds regularly go to increasing LTC students' opportunities to attend conferences, participate in field trips, multiple opportunities for free tutoring for various LTC courses, food and giveaways for various workshops, club meetings and events, as well as creating a better campus environment by purchasing needed and requested items to make each of our campus locations better.

Contact the SGA Advisors for more information:
