

The Math Connection

Lanier Tech's QEP Newsletter – Summer 2021

The Student Success Center Online: Same Great Tutoring—New Platform!

Need help with your Math assignment? Have a paper due for English? Is that Chemistry test looming near? The Student Success Center offers high quality tutoring services for all Lanier Technical College students in the subjects of Math, Science (Chemistry, Physics, and Anatomy & Physiology), and academic paper writing, but now we have a new online platform! Our new system allows you to schedule your individual tutoring appointments with the tutor of your choice during a time that is convenient for you.

Our mission continues to be to help you to become independent learners and to help you reach your academic and career goals. Our tutors have experience in the subjects in which they offer assistance, and they have been trained on how to best help you to achieve your best work. We are here to help if you are experiencing challenges with course work, but tutoring is not only for those who are struggling. Get tutoring help to turn that C into a B or that B into an A! We offer tutoring appointments Mondays through Saturdays—see the tutoring schedule on the following page for specific subjects and times. Enroll in the Student Success Center and schedule an online tutoring appointment today!

The Writing Tutors Can Help With:

- Outlining
- Thesis Statements
- Organization and Essay Structure
- Revisions
- MLA & APA Formatting
- And Much More!
