

ARTICULATION AGREEMENT

The Board of Regents of the University System of Georgia, by and on behalf of the University of North Georgia (the "University"), and Lanier Technical College (the "College") (each a "Party" and collectively, the "Parties"), agree to facilitate the transfer of specific courses from the College for credit at the University and enter into this Articulation Agreement (this "Agreement") on this 10 day of June, 2021 (the "Effective Date"). The Parties hereby agree as follows:

WITNESSETH

WHEREAS, the University, as a unit of the University System of Georgia, is a regional multi-campus institution and premier senior military college, that provides a culture of academic excellence in a student-focused environment that includes quality education, service, inquiry and creativity; and

WHEREAS, the College, as a unit of the Technical College System of Georgia, is a public, multi-campus institution of higher education serving the workforce development needs of Northeast Georgia and providing, among other educational offerings, access to student-focused occupational programs at the associate degree, diploma, and certificate levels;

WHEREAS, the Parties believe that cooperative education programs are mutually beneficial to the Parties and their students and that an academic credit transfer agreement will allow for a smooth transition for students transferring between institutions while maximizing allowable credit transfer; and

WHEREAS, the Parties desire to encourage and facilitate academic credit transfer opportunities for eligible students by entering into this Agreement;

NOW, THEREFORE, for and in consideration of the terms and conditions set forth herein, both the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

- 1. Articulation and Requirements:** The University, in recognition of the Southern Association of Colleges and Schools Commission on Colleges ("SACSCOC") accreditation of the College, hereby agrees to transfer the courses identified on Exhibit A, attached hereto and incorporated herein by this reference, from the College provided that the courses: (i) are taught by faculty who meet credential standards as set forth by SACSCOC Faculty Credentials Guidelines and institutional policies; (ii) are completed with a passing grade, as determined by the University, by the student(s) seeking transfer; and (iii) have an appropriate corresponding course offering at the University. Students applying to the University must meet the university and program admission requirements in effect at the time of application.
- 2. Understandings of the Parties:** Each Party will ensure that it maintains accreditation with the appropriate regional accrediting body and that all operations are in keeping with accreditation requirements. 3. **Term:** This Agreement shall remain in force for a period of seven (7) years from the Effective Date (the "Term"); provided, however, that either Party may cancel this Agreement at any time upon not less than ninety (90) days written notice to the other Party. The Parties acknowledge and agree that if this Agreement is cancelled, the University will use good faith efforts to ensure that students currently enrolled will have an opportunity to complete courses for which they are enrolled.
4. **Modification:** This Agreement may be amended or modified by written agreement of the Parties, duly signed by their authorized representatives. The Parties acknowledge and agree that additional courses for articulation are likely to be added to the list shown in Exhibit A. The Parties agree that at any such time when additions or changes to courses approved for articulation are made, the Parties will amend Exhibit A by completing an updated list of courses and having it signed by a duly authorized representative of each Party. The Parties further agree to keep on file with this Agreement at all times throughout the Term a current copy of all courses approved for articulation according to this Agreement.
5. **Funds and Manpower:** This Agreement does not document nor provide for the exchange of funds or manpower between the Parties, nor does it make any commitment of funds or resources. Albeit, each Party's academic advisors commit to working collaboratively to promote, advise and assist students interested in pursuing programs of study associated with this agreement.
6. **Notice.** Each Party shall send communications or notices pertaining to this Agreement to the other Party at the relevant address set forth below or to such other address designated by that other Party through written notice.
